Subject: RE: CFAC Phase II Site Characterization Field Work

Mike Cirian,

The DEQ agrees that CFAC/Roux may proceed with the site activities associated with the RI phase 2 testing, sampling, and analytical while the final Phase II SAP is prepared/approved.

Thank you.

Dick Sloan

Subject: RE: CFAC Phase II Site Characterization Field Work

Mr. Ritorto,

CFAC and Roux and their subcontractors may proceed on an interim basis with all activities that were agreed to during our Phase II response to comments discussion yesterday. We will follow up with a final approval for this seasons field activities upon response and submittal of the Phase II SAP.

I look forward to a productive field season this year,
Mike

Subject: CFAC Phase II Site Characterization Field Work

Mr. Cirian,

CFAC and Roux Associates are requesting approval to proceed with the field implementation of the Phase II Site Characterization starting on Wednesday, April 25, 2018. We would like to proceed with the start of the field work while we finalize the responses to the comments provided by the EPA and MDEQ on the Phase II SAP.
